

Samantha – August 2000

Jason – May 2002

This fun-loving brother and sister duo are ready to find their forever family together!

Samantha is an easy going teen with a fun-loving, bubbly personality. She is your typical teenage girl; she is very social and her favorite thing to do is hanging out with friends. She is well liked by her teachers, school staff and peers. When not hanging with friends, you can find Samantha coloring intricate designs. Samantha is also an animal lover, especially dogs.

Younger brother Jason is quiet and shy but when given time he will open up and his funny personality will shine through. He is a smart kid and does very well academically; his favorite subjects are science and history. Jason participates in several after school activities including science club and archery club. Other hobbies Jason enjoys are building with Legos, reading, basketball and football.
